CHARACTER

- A. Missions require an attitude of servant hood. You may be asked to perform activities outside your normal comfort zone, which could include being placed in an unfamiliar work role, learning tasks you've never done before, and working with team members whom you may not know. Missions also necessitates displaying a willingness to consider the needs of others as more important than your own. Please honestly describe how you will react to these expectations.

B. Commitment to this project requires participation in team meetings, training sessions, and spiritual preparation. Carefully consider your commitment and please initial one of the following:

1. _____ I personally commit to participate in team meetings, training sessions, and all other spiritual preparation.

2. _____ I am unwilling or unable to commit to team meetings, training sessions, and all other spiritual preparation. (If checked, please explain.)
